Producer U.S. Department of Labor Compliance Certification

The following producer certification is required **only** if funds originating from an IRA or other qualified plan are being applied to this life insurance policy.

I am complying with Department of Labor regulation PTE 84-24 and acknowledge that I have or will:

- Explain my fiduciary status to the client;
- Disclose all material conflicts of interest to the client;
- Disclose all Producer compensation for this transaction, including renewal compensation, to the client; and
- Disclose the costs, fees and expenses of the product by providing the client with the product Illustration.
